Mr. Horton:

My firm represents PG&E in its chapter 11 bankruptcy cases. I am reaching out to you about the objection to your claim.

As discussed at the July 28, 2021 hearing that you attended, the order disallowing your claim was approved by the court and entered on the docket on July 22, 2021. A copy of that order is attached to this e-mail.

I sympathize with you having to care for a sick relative, however, your July 27 e-mail acknowledges that you were served with the objection to your claim on June 18, 2021, nearly a month before the July 14 deadline to respond indicated in the notice.

More importantly, your e-mail response, and the new proof of claim you filed (now listed on the official claims register maintained by Prime Clerk as Claim #107857), do not include any facts or legal arguments that contravene PG&E's position that the two-year statute of limitations on the wrongful death claim had expired prior to PG&E's bankruptcy filing on January 29, 2019, which was the reason that PG&E objected to your claim. You included an e-mail to PG&E's claims department, but the statute of limitations governs the time to file a complaint in court. See Cal. Civ. Proc. Code § 350. Merely notifying PG&E of your potential action does not satisfy or toll the statute of limitations, and you did not file a lawsuit within the two-year statute.

Based on what you have presented, PG&E does not believe there is any basis to set aside the order disallowing your claim or to set a new hearing on the objection to your claim. You are free to make a request to the bankruptcy court to set aside the order disallowing your claim, and PG&E reserves its rights and arguments in opposition to any such request. I encourage you to seek the assistance of counsel familiar with bankruptcy law in this matter.

My sincere condolences to you on the loss of your brother.

Best Regards,

THOMAS RUPP

Although it appears that I missed one of the deadlines for objecting to an Omnibus Claim as stated in the information that was emailed to me, please enter the following response into the record of this case, and provide this response to Honorable Dennis Montali, United States Bankruptcy Judge **prior to the hearing** scheduled for:

Bankruptcy Case No. 19-30088 (DM)

Date: July 28, 2021

Time: 10:00 a.m. (Pacific Time)

Place: (Telephonic Appearances Only)

I am objecting to the Debtors' request to disallow and expunge my proof of claim number 87111 for failing to meet the statute of limitations of filing my case within 2 years of the date of injury.

As the court will notice in my objections and responses to prior notices by Debtors, I am attempting to maintain all deadlines as required by the court. I did not intentionally ignore or neglect to respond to this Omnibus Objection as found in the information in the email that was sent to me on or around June 18, 2021. My mother is seriously ill and weak and has been in the hospital or been in a senior care facility due to her illness and need for care for the past month.

This email is my response to plead this court to enter and record my objection to the Debtors' Omnibus Objection to claim number 87111 and recognize that this objection has been filed PRIOR to the hearing at 10:00am on July 28, 2021, to be heard by the Honorable Dennis Montali, United States Bankruptcy Judge.

I am hereby requesting that this case/claim number 87111 **NOT be disallowed or expunged** based on the allegations that my case/claim 87111 was NOT filed with PG&E Claims within the 2 year statute of Limitations. As seen within the records filed within this court and the attached screenshot of my email records, there is proof that the 2-year statute of limitations for filing this claim with PG&E was met. This claim was mailed to PG&E Claims and also filed with PG&E electronically by email to LawClaims@pge.com and CC'd to De Luca, Maria (Law-Claims) mxdp@pge.com at the end of August, 2018.

Thank you for your e-mail. We have received your motion and 5 attachments.

Please note that neither my firm nor Prime Clerk is able to file documents on the bankruptcy court docket for you. The court's docket is separate from the claims register where you filed your proofs of claim.

You may mail your filings to the court or use the court's document upload feature available through the court's website (see link below). The clerk's office is now open to the public from the hours of 10:00 am to 2:00 pm in the event you wish to file documents in person. Your e-mail notes that you have mailed chambers copies to Judge Montali. It is up to you to ensure that your documents are properly filed.

I note that you did not set a hearing for the motion. Please refer to page 4 of the attached order, in which Judge Montali instructed *pro se* parties such as yourself on the rules that must be followed in order to have a matter heard.

Thank you.

Thank You, (CCing to Debtor's Council for their information)

Lorena Parada, I very much appreciate your attention to this matter and letting me know about the filing of my Chambers Copies into the Court Docket Case No. 19-30088(DM), as Dkt no. 11031.

I am trying to quickly learn. It will definitely be necessary to re-file and amend. I intend to file the new motion prior to 28 days of the order of July 22, 2021 found on Dkt No 10980. As eluded to in an earlier email and recognizing that the Bankruptcy Proceeding must keep moving along, the 1 year limitation as found in FRCivP 60 (b)(1) and (c)(1) seems way too long. I'm currently working on the New Motion that will replace the one that was recently filed as Dkt No. 11031. My goal is to have the new Motion filed before 28 days of the original order found on Dkt No 10980. I know that I can instruct that the new Motion I file to replace the former Motion on Docket number 11031 in its entirety so it will be clear that the old Motion was wrong and being completely replaced. I missed a lot of other pertinent information in the Motion as well.

I'm expecting that by this email, the Debtor's Council is aware of my intention to replace the Motion in Dkt 11031. I don't think anything else needs to be done since there was no court date set to hear the Motion anyway. That error of no hearing date will also be one that is corrected on the new Motion.

I have looked at Judge Montali's Calendar so I'll attempt to set a date for the hearing that will be in accordance with the calendar, I'll upload the files on the court's website through the proper link provided on an earlier email, and attempt to properly serve the Debtor's Council. Thank you for also letting me know that a printout for Chambers Copies are no longer required to be mailed.

I'm assuming that no other action will need to be taken until the new Motion is uploaded on or before Aug 19, 2021 that will completely replace the previous Motion filed on August 4, 2021 as Docket No. 11031.

Again, many thanks,
Ricky-Dean Horton.

CAUTION - EXTERNAL:

Thank You for the reply and letting me know that the papers arrived today. DO NOT FILE, Continue reading please.

..

The papers were in opposition to an order and I'm planning on making a motion to reconsider. I felt the need to get them out as soon as possible and in my rush to get them sent I made too many mistakes and I didn't even upload anything to the court's website. I clicked on your link that directed me to the place to where I upload the files. It looks easy enough to do. Thank you.

I found in the FRCivP Rule 60 that it looks like I have a year to file my Motion to Reconsider an order. BUT that seems like a long time. I was looking at the court's Bankruptcy Local Rules and couldn't find anything that reduces the timing of that Federal Rule of 1 year to file my Motion to Reconsider and reverse an Order.

Before I say yes to disregarding the Chambers Copies and not filing them, can you help me, or direct me to someone that could help me find the Local Rules that might reduce the 1 year allowed in FRCivP Rule 60? Please hold those papers and DO NOT FILE until I find out what timing issues I'm up against. If the Local Rules of this court is 28 days or more to file a motion to reconsider an order then the Chambers Copies that you received today

can be disregarded and I'll follow the proper procedures to format the document correctly, remove the footers, and add some statutes and other references in the filing. I will then file using the upload feature on the Court's Website.

I know I can't ask for legal advice but I appreciate any help that can be provided to help me make sure I follow the proper rules and procedures of this Court, especially timing issues for appeals or other timely filed motions like this motion to reconsider an order.

If you can't help for any reason then is there someone assigned to help people like myself to help me with questions regarding the Court's Local procedures? I would be most grateful as I am really concerned that I will miss a deadline.

Ricky.

I had made a serious error in sending Chambers Copies to Judge Montali via USPS Certified mailing no 70191120000192771730.

According to the Tracking Information you may be receiving the Chamber Copies within the next day or two.

The Chambers Copies were not sent after following correct procedures, nor did the body and layout of the text conform to the proper guidelines (footers I found out is a no-no). The content of the mailing was vague, had much missing information, no codes or statutes referenced, authorities, etc. . .

The electronic PDF files of Chambers Copies were also sent to the recipients of this email listed above on August 2, 2021 and I realize that they are INVALID. I will be resending after I redo the document, upload, and file correctly.

There was no filing with the court and therefore no Docket Number. No files were uploaded through the Court's Website And no calendar date set for allowing objections to my filing or to be heard.

Mr. Rupp did send information to me to help me learn the process on how to file my response that meets the guidelines and the format of the document as well as the procedures to file and upload documents.

If I still have questions while I'm learning the correct procedures and/or formatting, I am assuming Lorena Parada would be the contact person to help answer any questions? Or any other court assistant? I'd be asking for procedural information and not legal advice.

Again, I sincerely apologize for my haste in sending Chambers Copies. It is my intent to request a Motion for Reconsideration and to reverse the order on Docket No. 10960. I know I have time and I am allowed to file my Motion for Reconsideration and to reverse the order based on Federal Rules of Civil Procedures Rule 60. I haven't seen any other rules, codes, or statutes that would over-rule the FRCP Rule 60 governing this Bankruptcy Court. If any then anyone in the email please "reply all" and advise, otherwise the FRCP are what will be acknowledged.

Lorena Parada, If you can, please let me know what I need to do to correct this error of sending these Chamber Copies pre-maturely, or who I should ask if you aren't the one that can help me to set the Chambers Copies aside since there was a lot wrong with them, and I was also pre-mature in sending the PDF files to the above recipients.

If this Email can be printed and somehow attached to the Chambers Copies that were mailed via USPS Certified mailing no 70191120000192771730, then maybe that would be sufficient?

Thank you for your attention to this matter.

Pursuant to the Bankruptcy Court and Judge Montali's open calendar procedures, and Dkt. 11074, Dkt 11174, and the followup order on Dkt 11183, an adversary hearing in this PG&E Case No. 19-30088/19-30089 was re-scheduled by me for 10:00am on October 19, 2021.

The Open Calendar Procedures did not require that the calendar clerk call back to confirm the hearing since it appears that the procedures have been followed correctly.

However, to insure that I followed the correct process and procedure, I am asking you, Lorena Parada, to please confirm that I did follow the proper procedures and that the date for the hearing re: Dkt 11074 and related filings have been placed on Calendar for 10:00am on October 19, 2021.

Thank you for your attention to this matter and for assistance in making sure I follow the proper procedures of the Federal Bankruptcy Court and Judge Montali's practices and procedures.

To: Calendar Clerk for the Hon. Judge Montali

Please confirm that my hearing is still set on the Calendar to be heard by the Hon. Judge Montali at 10:00am on October 19, 2021.

I followed the guidelines set forth in the Court's and Judge Montali's open calendar procedures and I sent an email on September 7, 2021 to confirm the hearing date and to confirm that in fact I did follow the proper procedures to schedule my hearing.

After the notice of hearing was sent to the Calendar Clerk on September 7, 2021, there has been no response to reschedule.

I also sent a reminder of hearing to Debtor's Council (dkt 11377) on October 5, 2021.

As noted in several docket filings, the Federal Bankruptcy Court retains jurisdiction to resolve disputes regarding the court's orders. The motions I filed are exercising my right to have my motions and controversies regarding the court's orders to be heard at the hearing as properly scheduled for 10:00am on October 19, 2021.

I know there can be no orders granting or denying a motion once the matter is set for a hearing and any such order attempting to take this matter off calendar has no authority. I objected to any previous order attempting to take my hearing off the calendar and/or denying my motion to reconsider the court's order found on Docket 10808 as outlined in Dkt 11074 and related filings thereafter.

Thank you for confirming my guaranteed right to a hearing regarding a controversy regarding the court's order(s) is still set to be heard at 10:00am October 19, 2021.

To Calendar Clerk for Judge Montali, Lorena Parada,
CC to Debtor's Council as seen in the CC email addresses included in this LETTER TO THE COURT.

Please be advised that there has been an E-Order from an anonymous source uploaded to the Court's website which appears to be an illegal attempt to take my hearing off calendar that has been scheduled on Judge Montali's calendar for 10:00am October 19, 2021. Refer to Dkt 11386 dated October 7, 2021. There has been no motion by any party to remove my hearing from Calendar and I do not consent to my hearing being removed as scheduled.

According to file found on the Bankruptcy Court's Website called: "*Practices and Procedures 3-30-21.pdf*" of which file is Titled PRACTICES AND PROCEDURES IN JUDGE MONTALI'S COURT dated March 21, 2021, and on Page 11, Par 2 which states in part ". . . *Individual cases may not be discussed with Judge Montali's law clerk or judicial assistant except to inform the court that an ex parte request or a form of order is opposed.*"

The anonymous form of order uploaded and found in Dkt 11386 is opposed. It also appears that the docket linked to the illegal e-order is referring to Dkt 11031 which is not a valid docket. Dkt 11031 has been replaced in its entirety by Dkt No. 11074 dated August 18, 2021 and the hearing date corrected with the filing of dkt 11174 dated August 31, 2021.

I have not waived my right to the Court hearing as set for 10:00am on October 19, 2021 and there has been no request by Judge Montali's Calendar Clerk to change the hearing date as originally set for 10:00am on October 19th 2021.

All matters regarding my Motion filed within Dkt no. 11074 may be addressed at the hearing at 10:00am on October 19, 2021 and therefore there will be no violation of anyone's rights on the hearing date as scheduled since both parties will address the controversies regarding the court's orders at that time.

Sincerely,

Ricky-Dean Horton

Good afternoon **Lorena Parada**, Courtroom Deputy and Calendar Clerk to the Honorable Dennis Montali, United States Bankruptcy Court

Northern District of California - San Francisco Division

There appears to be some confusion among the Docket filings regarding my scheduled hearing for 10:00am next Tuesday October 19th. I'd like to help you avoid making a mistake and taking my hearing off calendar without the authority to do so since the order you are referring to found on Dkt 11386 has been objected to, is opposed by me and is in violation of sanctions imposed upon any e-order filers. Sanctions restricting E-Orders to be filed upon my Claim and Motions were imposed as found on Dkt 11251 dated September 14, 2021.

I understand that there is no communications allowed with the courtroom Calendar Clerks except to inform you of my objection to, and opposition to, a form of order that is attempting to take my hearing off calendar without due process as found in "*Practices and Procedures 3-30-21.pdf*" of which file is Titled PRACTICES AND PROCEDURES IN JUDGE MONTALI'S COURT dated March 21, 2021. I did in fact send an email objecting to the form of order found on Dkt 11386 filed into the record on October 7, 2021. The filing of the illegal order was also two days after the deadline response date of October 5, 2021. My objection to the E-order was sent to you on Tuesday, October 12, 2021 4:59 PM and appears to be the same email you responded to attempting to take my hearing off calendar. There is an error by assuming the opposed order in Dkt 11386 is giving the authority to remove my hearing off calendar, which the order found on Dkt No. 11386 does not have any authority to remove my hearing off calendar and in no way conformed to due process as described within Dkt 11251 dated September 14, 2021.

My Hearing date did appear to follow the proper procedures of the Open Calendar Dates of the Bankruptcy Court and Judge Montali's procedures as scheduled on my **Dkt No 11174 dated August 8, 2021** and upheld by Court Order on September 2, 2021 found in Dkt 11183, and other related filings thereof.

Further details on this matter can be found by a previous filing of another illegal E-Order by an anonymous party attempting to take my hearing off Calendar found on Dkt 11244 filed on September 13, 2021. The illegal e-order was voided by Dkt 11251 dated September 14, 2021. Since the illegal and anonymous E-Order was a second attempt to take my hearing off calendar (*previous attempts found on Dkts 11135 and 11154*), the same filing of Docket 11251 imposed restrictions and sanction against anyone attempting to file an E-Order upon my Claim 87111. Once my matter has been scheduled for Calendar, any attempt to make any e-orders denying my Motions found within Dkt 11074 and subsequent filings related thereof, is against the Bankruptcy Local Rules 9021-1(a).

Case: 19-30088 Doc# 13136 Filed: 10/30/22 Entered: 10/31/22 08:51:52 Page 29
of 34

The sanctions imposed upon the e-order filers restricted and disallowed any e-order to be uploaded on my Claim and motions without the wet-ink signature of Judge Dennis Montali. The E-order found within Dkt 11386 is in fact in violation of the sanctions imposed upon e-order filers put in place by Dkt 11251, and furthermore, the order does not bear a wet-ink signature of Judge Dennis Montali.

Therefore, The e-order on Dkt No. 11386 that is being referenced as the authority to take my hearing off the calendar as set for 10:00am on October 19, 2021 is not valid, has been objected to, opposed to, and has violated the sanctions imposed upon E-Order filers.

I have given notice according to due process and the rules of this court that the form of order is opposed and has no authority, and therefore, the hearing as set for 10:00am on October 19, 2021 should remain on Calendar as scheduled.

Lorena Parada, Calendar Clerk To the Hon. Judge Montali,

There still seems to be some confusion and I'm attempting to explain things clearer in hopes that you can get a better understanding of why it cannot be removed from the Calendar set for Hearing at 10:00am October 19, 2021.

The order you are referring to is voided by Dkt 11435. The order has no authority to take my hearing off the calendar for many reasons. Also, the Order on Dkt No. 11386 appears to be referring to Proof of Claim #107857 and an invalid Dkt No. 11031. Claim No. 107857 is irrelevant to my hearing scheduled for 10:00am October 19, 2021.

My Docket filing of 11074 and 11174 and other Dkts pertaining to the information within the Dockets is what this hearing is regarding.

Please see current Dkt 11435 that helps to explain why My hearing cannot be taken off Calendar.

My hearing is to remain on the Calendar as scheduled for 10:00am October 19, 2021 and it is in regards to Dkts 11074, 11174 and other related filings to That Docket. Nothing to do with Claim 107857 or Dkt 11031.
